#### Northern Region Futurity Tour Producer Application:

#### PRODUCER COSTS:

\*\$150.00 Annual Fee

\*Annual fee to certify your event will be due March 1, 2018

**New for 2018:** NRF Tour will only Approve Limited Number of Tour Events. With the increased number of event requests to approve with the NRF Tour we decided to make some changes to keep the Tour growing in a positive direction. Since the Northern Region is a short show season and so many show requests we feel it's only fair to these young horses to limit the number of Futurity/Derby Events in the Northern Region. Our nominations over the past 5 years has grown way past our goal which is very exciting for the NRF. We want the approved events to be SPEICALIZED to a limited number of events instead of saturating the market with so many approved tour events,
